

NEW TRENDS IN ZYGOMATIC IMPLANT SURGERY

Programs

13-14 MAY 2024, 9AM-5PM

→ **PATTERNS OF BONE REABSORPTION**

→ **ZYGOMATIC IMPLANTS: HISTORY, CONCEPT AND EVOLUTION**

→ **ANATOMICAL PRINCIPLES AND RADIOGRAPHIC EVALUATION**

→ **SURGICAL AND MULTIFUNCTIONAL GUIDES**

SURGICAL PROTOCOLS

- ✓ NUMBER OF IMPLANTS
- ✓ COMBINATION OF IMPLANTS AND TECHNIQUES

→ **TRANS-SINUS AND TRANS-NASAL APPROACHES**

- ✓ INNOVATIONS
- ✓ ADVANTAGES AND DISADVANTAGES

→ **SHORT AND TUBEROSITY/ PTERYGOID IMPLANTS**

- ✓ INDICATIONS AND PRE-OPERATIVE EXAMINATION
- ✓ BIOMECHANICAL CONSIDERATIONS, ADVANTAGES AND DISADVANTAGES

→ **PROSTHETIC AND LABORATORY PROTOCOLS**

- ✓ IMMEDIATE FUNCTION AND CAD-CAM TECHNOLOGY
- ✓ BIOMECHANICAL CONSIDERATIONS

COMPLICATIONS

- ✓ THE COURSE WILL HAVE A THEORETICAL COMPONENT AND ANOTHER THEORETICAL-PRACTICAL COMPONENT WITH SIMULATION OF ZYGOMATIC IMPLANTS PLACEMENT IN PLASTIC MODELS

DR. FERNANDO DUARTE

About Me

Fernando Duarte, a **DMD** and specialist in **Oral Surgery** certified by the Portuguese Dental Association (OMD), has an impressive academic and professional background. He holds post-graduate and master's degrees in **Oral and Maxillofacial Surgery** from the Eastman Dental Institute at the University College of London, UK.

Further, he has a **Master of Science in Laser Dentistry** from Università Cattolica del Sacro Cuore in Rome, Italy, and a **Master in Laser Dentistry** from the Laser & Health Academy in Ljubljana, Slovenia. Currently pursuing his PhD at Universidad de Salamanca in Spain, he also holds a certificate in **Advanced Oral Rehabilitation and Rehabilitation with Zygomatic Implants** from INEPO in S. Paulo, Brazil. Professionally, he serves as the **President** of the Portuguese Society of Oral Surgery and practices Oral and Maxillofacial Surgery and Oral Implantology privately. He is also the **Scientific Coordinator of Clitrofa Education Academy** and the **CEO and Clinical Director** of Clitrofa in Trofa, Portugal.
